## President's Message

Theme Lines:

**"Enhancing Knowledge through Innovations and Skills Development"**

Dear UPOA members,

The smooth functioning of any organization depends upon the systems followed by the members of that organization. The tasks and the subsequent outcome always depend upon the channelization of priorities.

This issue of newsletter is the perfect outcome of the same. Since this edition contains the notification of another priority of our esteemed organization, the Elections of UPOA and it should reach you well in time.

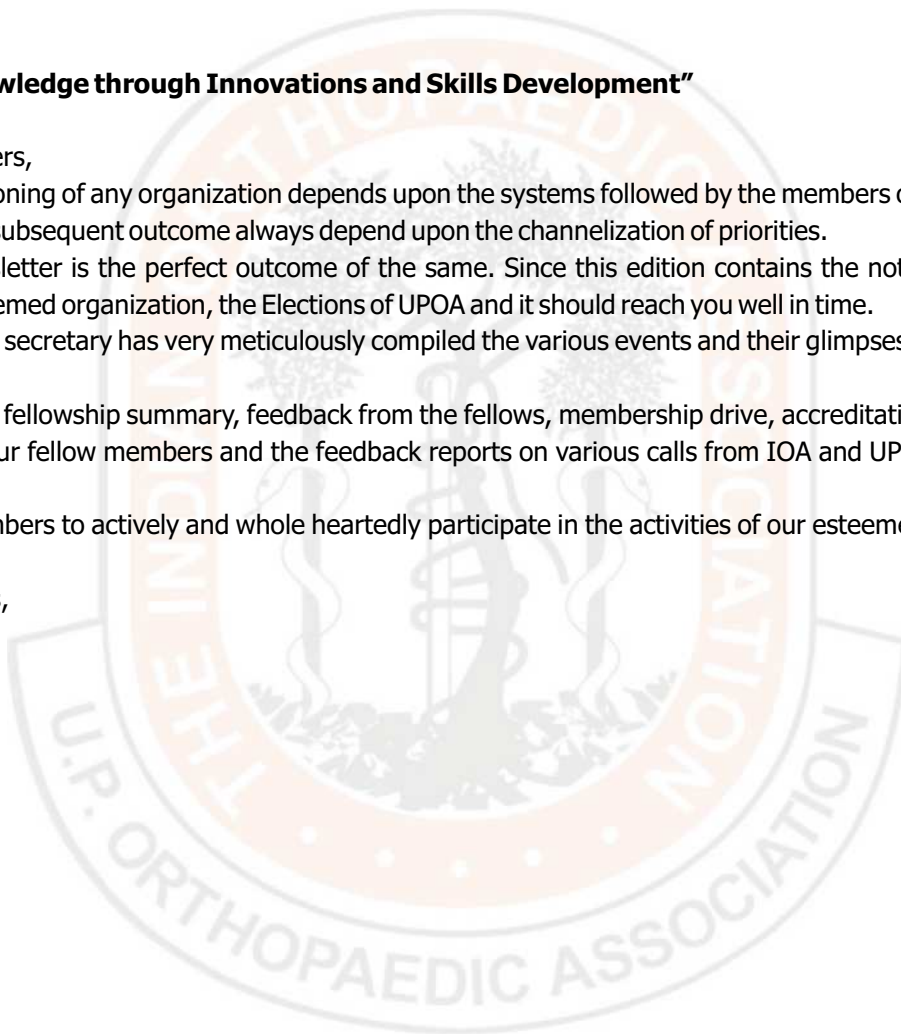

Apart from this our secretary has very meticulously compiled the various events and their glimpses for the information of all members

The compilation of fellowship summary, feedback from the fellows, membership drive, accreditation hours, individual achievements of our fellow members and the feedback reports on various calls from IOA and UPOA are published in this edition.

I appeal to all members to actively and whole heartedly participate in the activities of our esteemed organization, the UPOA.

With warm regards,

Dr. R.A. Agrawal  
President

# Secretary's Message

**"None of us is as strong as ALL of us"**  
**Long Live UPOA**

Dear Members UPOA

Greetings from the Secretariat

It is once again a moment of proud privilege for me to present to you the next edition of our newsletter, UPOA TIMES. I sincerely thank you for the wide appreciation received for the previous issues.

The UPOA being the largest state chapter of the IOA has left no stone unturned in organizing various activities this year too and living upto the standards of being adjudged the BEST STATE CHAPTER of the IOA and receiving the prestigious Dr A K Gupta Trophy last year. Without your contribution, this was not possible and I thank you all from the core of my heart.

This year too we have organized 16 academic events under the aegis of the UPOA and added two new courses, UPOA Trauma Course and UPOA Arthroplasty Course which have had a very positive response.

Like the previous year, we have added more than 100 new life members this year too and shall be soon crossing the 1600 members mark which is parallel to none. That even further strengthens us and I appeal to all to realize this strength and stay united.

This issue of the Newsletter shall highlight the activities post the previous issue published in June 2014 and shall also notify the elections for the forthcoming executive.

I am truly grateful for the guidance and cooperation received from all corners and seek the same in the future as well.

Your feedback on this issue shall be invaluable.

LONG LIVE UPOA

LONG LIVE IOA

Jai Hind

Dr. Atul Srivastava  
 Secretary

## **MCI Accreditation**

MID TERM SYMPOSIUM UPOA, MATHURA	4 Hours
UPOA TRAUMA COURSE, KANPUR	3 Hours
UPOA PGICL, AGRA	10 Hours

## Minutes of Executive Committee Meeting at Mid Term Symposium, Mathura 14-09-2014

Minutes Of Executive Committee Meeting held at Mathura on 14-9-2014 Mid Term Symposium

In the chair President UPOA Dr R A Agarwal

### **Obituaries**

One minute silence was observed to pay homage to the departed souls Dr Bhaskar Mall, Gorakhpur and Dr Neeraj Gupta Bijnor

Dr Ajay Pant spoke about Dr Mall and Dr A B Singh about Dr Gupta

Dr A S Dube proposed that the obituaries be mentioned in the journal. After discussion and suggestions from Dr Dharendra Singh, Dr Sanjay Dhawan and Dr Jamal Ashraf it was passed that one page in the journal be dedicated for the same. In case of important office bearers of the UPOA, a brief write up with photograph be printed in the journal.

Minutes of the ECM and GBM printed in the Newsletter of June 2014—passed

### **Fellowship Report**

Dr Ashok Gupta had certain queries on the Ghaziabad fellowships which were answered by the Fellowship Chairman Dr Jamal Ashraf. The Secretary was instructed that all applications be sent to the concerned office bearers well in time for tabulation. It was also passed that the term of fellowship chairman be of 3 years starting from UPORHOCON 2013. The efforts of Dr Jamal Ashraf for coordinating the international fellowships were appreciated by Dr Naresh Chand and Dr Atul Srivastava.

The fellows for this year were announced. Dr Dharendra Singh appreciated the efforts of Secretary for creating fresh interest in our fellowships.

Dr Naresh Chand suggested that if the fellow fails to avail the fellowship he should not be eligible to apply for UPOA fellowships in the future and the member next in the marking list can be awarded the fellowship—passed

Only members residing and practising in UP shall be eligible to avail the UPOA fellowships—passed

### **Treasurer's Report**

Dr Anup Agrawal presented his report for the year and gave a detailed account of the income and expenditure—passed

He informed that UPOA account has around Rs. 65lacs in the FDRs and approx. Rs. 20 lacs in the savings account

Dr Ashok Gupta proposed that we utilise this money for academic activities for the benefit of the members of our association. Various suggestions were given on this issue by Dr Ashok Vij, Dr A N Varma, Dr A S Dube and others.

Dr Dharendra Singh suggested that we seek the opinion and suggestions of all the members for the best utilisation of the savings—passed

Dr Ashok Vij suggested that we try and get the 12AA exemption apart from the 80G to save taxes and we appoint a permanent chartered accountant of the association—passed.

Dr Anup was requested to comply on the same and further streamline the accounts in consultation with Dr Ajit Saigal and Dr T P S Lamba and also get the renewal of the association registration at the earliest.

### **Editor's Report**

Dr Mazhar Abbas, Editor JBJD, presented his report and requested all to contribute by sending articles for the journal—passed

### **Research Grant**

Dr S K Saraf, Chairman, Research Grant Committee, presented a detailed account on the purpose, methodology, marking criteria, selection process and execution of the research grant.

Dr Atul Srivastava requested Dr Saraf to prepare a blue print for the same and circulate amongst the office bearers to finalise.

The members suggested that, Rs 10 lacs given by the Agra Orthopaedic Society from the savings of IOACON 2013 was for the corpus fund of the UPOA with an assurance to give further contribution later, to start the research grant in the name of AOS—passed

Dr Vij informed that AOS shall contribute to this cause once the audit of accounts is finalised—passed

**Letters from Members****City Club Awards**

Secretary Dr Atul Srivastava suggested that we include one more category to the city club awards to make it more justifiable and participatory—passed

Four categories of city club awards would be—1 to 25 members Dhanendra Prasad Bhagwati Devi Award, 26 to 50 members award, 51 to 75 members Dr M K Goel Trophy and more than 75 members Dr K P Srivastava Trophy—passed

**New City Club**

The application of Hathras Orthopaedic Club for affiliation to the UPOA was—passed

**Life Time Achievement Award**

Dr Atul Srivastava informed the house that a committee consisting of the President, Past President, President Elect And Secretary is proud to announce that this year's Life Time Achievement Award of the UPOA shall be conferred upon Past President IOA and UPOA, Dr S C Goel, IMS, BHU, Varanasi

**UPORTHOCON 2015 Report****UPORTHOCON 2014 Report****PG Quiz Report**

Dr Sanjay Dhawan, UPOA Quiz Master, informed that teams from nine medical colleges participated in the quiz this year and the team from Varanasi –Dr Samrat Sahoo and Dr Vivek Kumar Kori were adjudged winners and shall represent the UPOA in the IOA quiz at IOACON 2014. The house applauded the efforts of Dr Dhawan in conducting the quiz so impeccably. Dr S K Saraf requested the house to officially permit Dr Sanjay Dhawan to be a member of the UPOA team in organising the IOA Quiz--passed

**Webmaster**

Members expressed their concern about the recently started mobile apps and asked the secretary of the progress in the matter. It was informed that despite best efforts to coordinate between the webmaster and the agency concerned, the results were not as desired. After an exhaustive discussion on the issue Dr Dharendra Singh requested the president to write an official letter to the webmaster to seriously look into this matter and if the webmaster expresses his inability to do so, a change in the webmaster in the Mid term be sought--passed

**Any other matter**

President Dr R A Agrawal proposed that we start further more UPOA courses like the UPOA Trauma and Arthroplasty Courses. Dr Jamal Ashraf suggested that after seeing the success of the existing courses and the enthusiasm and participation of the members in the same, it is a good idea to start UPOA courses in other sub specialities in the near future.

**Letters**

Dr R A Agrawal President UPOA and Dr Ambuj Srivastava Secretary Gorakhpur Orthopaedic Club proposed to start a gold medal in the name of senior member and past president Dr Bhaskar mall. After discussion it was passed that the PG Quiz be named the Dr Bhaskar Mall PG QUIZ. Dr Ashok Gupta suggested that as per the norms a donation of Rs 5 lacs be sought. Dr R A Agrawal assured that it was his responsibility to arrange for the funds. –passed

Dr Ajit Saigal's letter was read out requesting the UPOA to bid for IOACON 2016 on behalf of the Varanasi Orthopaedic Club with Dr S C Goel as the Organizing Chairman and Dr Saigal as the Organizing Secretary. After input from various members it was unanimously decided that since the request is not from the VOC and the organisers are not present in the meeting in person, this request cannot be entertained—not passed

Dr Jamal Ashraf's letter strongly opposed the inclusion of events like NAILSCON at Varanasi and OASAC at Agra, under the aegis of UPOA, as they were not following the protocol and guidelines laid down by the association. Dr Ashok Gupta and Dr Dharendra Singh strongly condemned this practice and the house decided there was no need to hold events under the aegis of UPOA in cities where the protocol is not being followed. The members further suggested that the concerned office bearers should not be attending such events—passed and proposed to take a written undertaking from the organisers that they will abide by the protocol and follow the rules and regulations of the association

Dr Jamal Ashraf objected on the amount of energy, time and money spent on the inaugural functions. The house passed that apart from the major UPOA events like UPORTHOCON and Mid Term Symposium, the inaugural function should be of not more than 15 minutes duration.

Dr Niraj Jain's letter strongly objected to the fact that certain city clubs were not following the guidelines laid down for them like yearly elections, notification to the office, regular meetings etc. Dr Jain proposed that the association penalise these city clubs and restrict them from holding UPOA events. Dr Ashok Gupta and Dr Naresh Chand suggested that these things be better sorted out at the local level. To this Dr Dharendra Singh and Dr Atul Srivastava proposed that we follow the protocol of the IOA in which the defaulter clubs are not entitled to hold events held under the aegis of the association and they also should not be eligible for the city club awards.--passed.

#### **Legal cell :**

Dr A S Dube requested to activate the legal cell of the UPOA and accepted to be a member of the committee to be nominated by president, president elect and secretary

Dr Sanjay Dhawan objected to photography during national anthem. It was resolved that even the photographers should participate in **the national anthem**.

It was passed that **the quiz master and webmaster shall be ex officio members of the executive committee**.

Dr Jamal Ashraf informed that **the title 'Padma' should not be used as a prefix to the name of the doctor as it is unconstitutional and can result in the forfeiting of the award...passed**

With this and thanks and gratitude to the chair by our members the meeting was concluded.

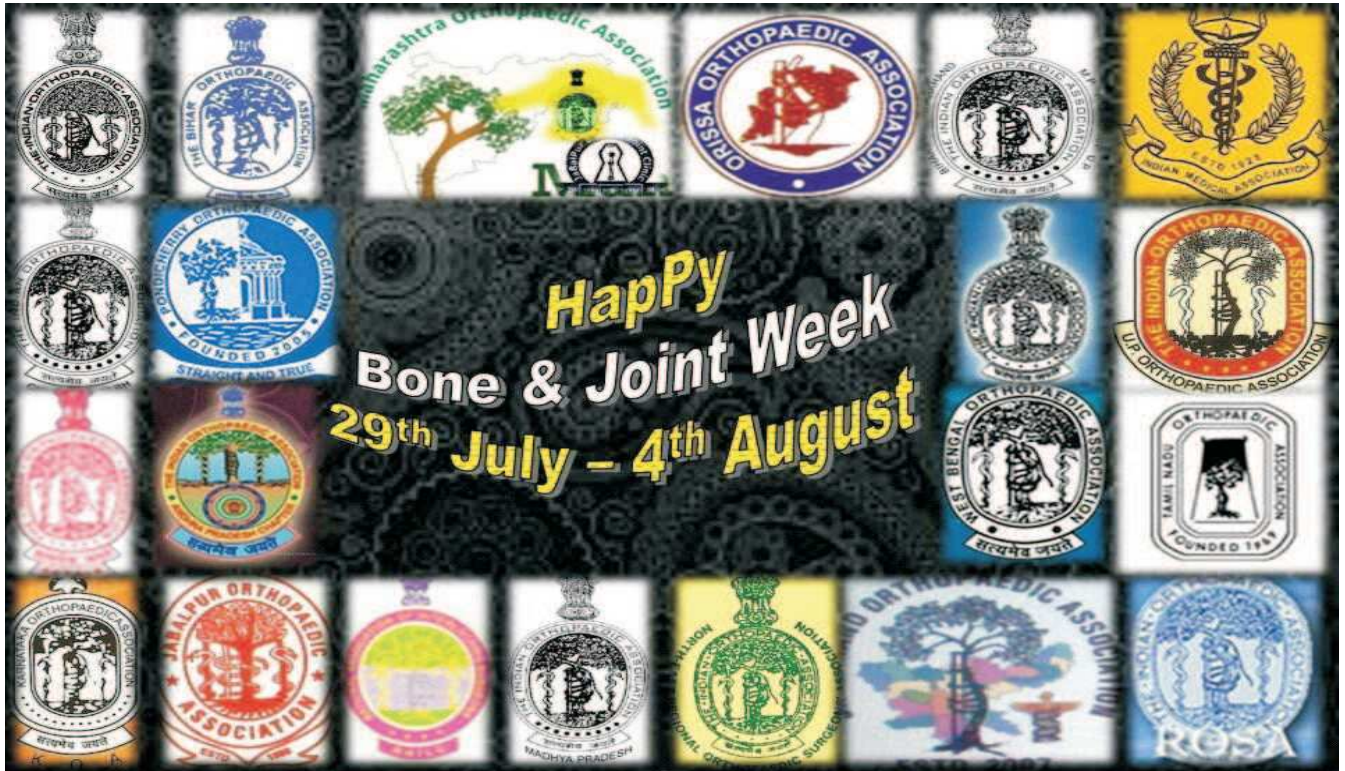

**Dr. Atul Srivastava**

#### **Guidelines to the Organizing Secretaries**

(For Academic events organized under the aegis of UP Orthopaedic Association)

1. Event should be organized under the aegis of the UPOA.
2. All members of UPOA shall be informed both by post i.e., Printed Brochure and by electronic media i.e., email or SMS or Facebook or website or Mobile Apps etc. at least 3 weeks prior to the event
3. The brochure shall contain apart from the scientific programme and the local organizing committee, the names of the President and Secretary UPOA.
4. The President and Secretary UPOA shall be invited well in advance and their travel expenses and stay etc. shall be taken care of by the Loc.
5. The seating on the dais shall be as per the blue book i.e., Chief Guest, Guest of Honor, President UPOA, Secretary UPOA, Organizing Chairman, Organizing Secretary, President and Secretary of Local Orthopaedic Club.
6. A contribution of Rs 5000 shall be made to the UPOA at the end of the course.
7. A brief report with few photographs should be sent to the secretariat within 15 days after completion of the course for record and newsletter.
8. Prior information and permission to be sought from the office of the UPOA to ensure the availability of office bearers and that dates don't coincide with other important events of the IOA and UPOA.
9. The office bearers and the members of Executive Committee be registered free as per blue book.
10. Lighting of lamp at the start of inauguration ceremony and National anthem at the end is mandatory.
11. Chief Guest and Guest of Honor preferably be eminent medical personalities. Avoid politicians.
12. Inauguration ceremony should not be more than 30min
13. Certificates do have logo of UPOA and Local Orthopaedic Club and signed by President and Secretary UPOA, President and Secretary Loc, Org. Chairman and Org. Secretary.
14. Banner should have logo of UPOA and with the mention 'organized under the aegis of UPOA'.
15. The Organizing Secretary should be present in the inaugural function of the subsequent annual conference, the UPORTHOCON, to receive the award of appreciation.
16. Faculty selection should encourage members of UPOA, at least 50% from the state.
17. Apply for MCI accreditation points.
18. Rest of the instructions to be followed as per UPOA Blue Book.

10	Ghaziabad National Fellowship (1 Non Teaching )	Dr. Mohd. Faizan, Aligarh	Secretary BOS/ Dr. Jamal Ashraf

## Ghaziabad International Fellowship

(Fellowship Feedback as informed to the Secretariat)

### An Experience to be Cherished

I was overjoyed when on 23<sup>rd</sup> September, 2013 I received a letter from Dr. Atul Srivastava, Secretary U.P. Orthopaedic Association conveying the happy tidings that I had been selected for the prestigious maiden Ghaziabad International (Non teaching) Fellowship. The Fellowship (availed from 22 to 28 September, 2014) entitled me to visit and meet none else than esteemed Professor David Choon, FRCS, at the Department of Degenerative Joint Diseases, University of Malaya, Kuala Lumpur, Malaysia.

On 22<sup>nd</sup> September, 2014, immediately after the plane landed at Kuala Lumpur, I was taken by Dr. Faizal to the state of art joint replacement operation theatre at the University Medical Centre. Here, I had the opportunity to observe five surgeries involving total knee replacements under spinal and con-commitent femoral nerve blocks, under ultrasound guide carried out by Prof. Azlina Abbas, Prof. Azhar and Dr. Chan in tandem. It was an added pleasure to meet and greet Dr. Khalid Abbas, the visiting Arthroplasty Fellow from Sudan. There after, around 5 P.M., Prof. Choon drove me to the place of my stay that had been arranged by him.

On 23<sup>rd</sup> September, I got the opportunity to assist Prof. Choon in carrying out four total knee replacement surgeries. I deeply appreciate his generosity in sharing with me the medial para-patellar and sub-vastus approach for the exposure. The icing on the cake was, the privilege of observing complete tourniquet-less total knee replacement. It was a rare experience to observe Prof. Choon's acumen to cut tibia with the free hand. While assisting him in surgery we had long enlightening discussions on cementing techniques, PS/CR knees, drain versus no drain, navigation and many other latest advances in the field of TJR. On 24<sup>th</sup> September I assisted Prof. Choon at Quill Orthopaedic Center in four replacement surgeries. On the next day, I was with Prof. Choon in his outdoor where the follow-up of joint replacements were taken care of. On 26<sup>th</sup> September, Prof. Choon sent me to Dr. Chan in his very busy outdoor at the University Medical Centre where I was delighted to see him imparting clinical teaching to undergraduate and postgraduate students. I could not help wondering at the sharp contrast between what I observed here in terms of quality healthcare to what we are accustomed to view in our own government medical institutions, with all the constraints notwithstanding.

On 27<sup>th</sup> September, being relatively free, I travelled to the ancient Malay town called Melaka. On the following day, Prof. Azlina and Dr. Chan invited me to witness the revision surgery of infected total hip where he demonstrated extended trochanteric osteotomy to remove infected cemented prosthesis.

Bidding adieu was a difficult task. Though I was there for just a week, I couldn't help feeling intensely nostalgic. Little did I know while embarking on this trip that it would turn out to be virtually a game-changing experience of my life.

Gratitude is the memory of the heart! I am immensely grateful to Prof. Choon, Prof. Azlina, Dr. Chan and all staff members of DJD, University Medical Center, Kuala Lumpur for making my visit so professionally fruitful and rewarding. My special appreciation goes to Dr. David Choon and his wife Prof. Jesse for hosting me in their apartment with such warmth and care. I feel happy to acknowledge the valuable cooperation I received from Ms. Lee Mann, Secretary to Prof. Choon during the span of my stay there. I remain indebted to UPOA for granting me this fellowship without which I would have been deprived of the rare opportunity to be at one of the most advanced medical centres in the world in terms of infrastructure, expertise and commitment. I am especially thankful to Dr. Jamal Ashraf who remained in touch throughout my tenure and to Dr. Atul Srivastava, Dr. Dharendra Singh and Dr. R.A. Agarwal for paving my way to the fellowship.

I deem it an honour to recommend this fellowship to young Orthosurgeons. The experience, I am sure, will go a long way in not only making them better surgeons but also nobler human beings.

Gratefully,

**Dr. Arun Gupta** MBBS., MS (Orth).

Ojas Clinic, Agra

## Visiting Fellowship (Teaching) Report 2014

(Fellowship Feedback as informed to the Secretariat)

Fellow- Dr. Ashish Kumar, Professor, Dett. of Orthopaedics, KGMU, Lucknow

Venue-Royal Prince Alfred Hospital and Institute of Rheumatology Missenden Road, Camperdown, Sydney, Australia. As per schedule for the fellowship, I arrived Sydney, Australia on 25th May, 2014. After a small break, I walked to the RPA Hospital, just to have a look before starting next day.

On day one, I was supposed to meet Jackie Jones-Douglas, the contact person at 07.45am, outside the O.T. at RPA hospital. I reached 10 minutes earlier. After brief introduction, she escorted me to Dr. Mark Horsely, the Head of Orthopaedics. He was kind enough to detail the program scheduled for me during my visit. On that day, Dr. Paul Stalley was going to operate. The first case was a Revision THR. Cup loosening with a lot of aseptic debris, was evident on CT scan.

Anterior approach in Supine position, acetabulum was exposed by reflecting the anterior Iliac crest along with abductors attached. A big defect in floor was found through which black & brown debris were removed. Hydroxy appetite coated metal cage was fixed in which cemented cup was implanted. Original stem was stable and retained.

Next case was a TKR. Dr. Stalley, the old experienced orthopaedician was quite against the Navigation. He performed the surgery in a traditional way with his excellent surgical skills of soft issue handling. There was a discussion whether or not to stitch synovium as a separate layer after TKR, which we usually never do.

In the adjacent O.T, one arthroscopic ACL reconstruction was going on. After taking the permission by the operating surgeon, I stood there for some time. Nothing was different as we do here. I discussed about using allograft, but it was an uncommon practice there as well.

Next day onwards, I myself reached the O.T. in the morning 08.00 a.m. Dr. Stalley was performing a Talonavicular fusion after excision of navicular for some benign lesion. I discussed with him about possibility of curettage & grafting instead of excision & fusion but he had his own views. He used an allograft for this purpose.

In the adjacent O.T., Dr. Horsley was performing a primary THR. Anterior Approach in supine position under C- arm control was performed. Putting a central cautery mark in final broaching to decide the central position of exterior stem, which is smaller than the broach and may tilt within cement mantle, was a small but new tip for me. Next was a valgus knee, TKR was done by Dr. Boyle using navigation system. It was cruciate retaining TKR and it was good to see that no extreme flexed position was never required throughout the procedure.

Two more primary TKR were performed almost in similar fashion. After the O.T., I went to the hospital round to see the post operative patients and they were taken care of.

Next day, I reached the O.T at usual time. Dr. Sanjeev Gupta performed a TKR in a very bad knee with deformed lower end of femur? Old physeal injury. Somehow he dared to perform deliberate anterior notching for the better prosthetic fitting.

An elbow arthroscopy was being performed in the adjacent O.T. I learnt some nice tips to save the important anatomical structures around the elbow. Synovectomy and osteophyte resection was the procedure.

Dr. Stalley was doing a Shwannomare section from the popliteal fossa in the Adjacent O.T. He performed the excellent soft tissue dissection.

Two more primary TKR and one revision THR were performed on that day. Next day was OPD of Dr. Stalley. I stayed with him to learn, how do they evaluate their patients.

Next four days had a variety of THR & TKR including three revisions. I had many tips to learn from them. Besides attending the OT, I went for the ward rounds with all above consultants. I observed their way of dealing with the complaints much patiently than here.

Physiotherapy unit of the hospital was excellent. Every operated patient attended that section or the bedside physiotherapy started as soon as the pain was tolerable. Epidural catheters inserted for the pain management helped a lot in this process. Besides learning the surgical skill, overall experience was excellent. I am thankful to UPOA for awarding me this fellowship.

**Dr. Ashish Kumar**

Past President of UPOA	10
Past Secretary of UPOA	10
Past President / Secretary of IOA	10
Editor of JBJD	5
Executive Member of UPOA IOA ( 2.5 Points each time)	5
Organising Secretary of UPORTHOCON/IOACON/ Other National Events	10
Organising Secretary of MTS / PGICL/UPOA Courses (2.5 point of each)	5
PGICL / CME of IOA	5
Social work	5
Presentations & publications in UPOA/IOA (2 Points each)	10
Awards/Fellowships of UPOA/IOA (2 Points)	10
Research/Books/ Instruments	5
Any new development for up-liftment of UPOA	10
<b>Total</b>	<b>100</b>

The application for Life Time Achievement Award should be received by the UPOA Secretariat before Mid Term Symposium with the approval of the President and Secretary of local City Club.

# President Elect's Message

Dear Members,  
Greetings from Agra

According to the amended constitution of UPOA, the President elect has also to perform the duties of the Election Officer, therefore I wish in the capacity of the President Elect of the UPOA and the Election Officer, I wish to notify the forthcoming elections of our association through this newsletter. The details of the vacant posts, criteria for their application, requisites and important dates etc are published herein.

I appeal to all the members of the UPOA to actively participate in the elections by casting your vote and exercising your franchise.

For any queries, feel free to contact me.

With warm regards

Dr. Ashok Vij

President Elect - UPOA

Election Officer.

### Schedule of Election Procedure

Last date for filling of nomination	30 Nov., 2014
Withdrawal of nomination	14 Dec., 2014
Declaration of Candidates	21 Dec., 2014
Ballot Posting	2 Jan., 2015
Duplicate Ballots	12 Jan. to 27 Jan., 2015
Last date of receipt of Ballots	22 Feb., 2015

#### Election Notification :

You are requested to send nomination for following posts in UPOA :

President Elect	1	For one year
Vice President	2	For one year
Member Executive	3	For three years

#### Eligibility Criteria :

Only life members of UPOA and who are also member of IOA can apply. (Refer to the ammended constitution of UPOA). They should be practicing ORTHOPAEDICS in the state of Uttar Pradesh at the time of nomination.

#### Other Criteria

Minimum conferences attended to apply for the following posts are :

President Elect	10 Conferences of UPOA
Vice President	08 Conferences of UPOA
Member Executive	03 Conferences of UPOA

Kindly fill the nomination form attached with the newsletter (photocopy may be used) or download from the website and send it to the address below.

#### Important

Submit proof of eligibility (Photocopy of attendance certificate of conferences) along with the nomination form. Returning officer has the right to cancel nomination forms which are incomplete and without proof of eligibility criteria. The decision of the returning officer will be final and binding on all contestants.

Kindly attach DD of Rs. 5000 in favour of "UP Orthopaedic Associaton" (Payable at Lucknow) and send this form along with scanned copy to the following address :
