**Dr Rizwan Khan
Organizing Secretary**

Welcome Message

Respected faculty, colleagues and dear friends

On behalf of GOC, we welcome all the orthopods to the Ghaziabad TraumaCon to be held under aegis of UP Orthopedic Association on 10th March 2024. GOC is a 33 years old orthopedic club and since its inception on 10th Feb 1991, it has a fair share of academic and professional accolades. It has a record of conducting regular monthly scientific meetings since past 33 years, never missed a single meet!

GOC is acclaimed for its strong bond and unity. It has organized UPorthocon in 2002, IOACON in 2011, UP trauma course in 2017, UPOA mid term symposium in 2018, and Ghaziabad all around knee symposium in 2022. GOC has been a very active scientific group in orthopaedic fraternity with many national and international speakers to its credit. It has always given platform to promote and encourage younger generation. We are looking forward to an excellent meet by bringing stalwarts of the orthopaedic fraternity to the fore who will share innovative, emerging and finest techniques in upper limb trauma
