VARANASI WELCOME MESSAGE

KNEE 360°

**Dear Colleagues,
Greetings from Robotic Arthroplasty Foundation!!!**

On the behalf of **RAF**, we welcome all the Orthopods to the **KNEE 360** Symposium in historic city of Varanasi, on September 15th, 2024.

Building on the success of **KNEE 360, 2022** we are continuing this event in 2024. Knee surgery is a challenge that we all encounter in our daily clinical practice and this time we have planned to make this symposium a great platform for exchange of views and discussion on management of knee related issues and surgery related complications. We will be covering Knee Trauma, Knee Replacement and Knee Arthroscopy. We look forward to learn the latest techniques from top orthopaedic surgeons of the country on this topic. We are indeed in a time of great innovation in knee surgery, so come and enjoy the research and report your results!

The program has already shaped up to be excellent and the networking opportunities will be outstanding. The backdrop of beautiful and historic city of Varanasi will add to the pleasure of meeting and provide lasting memories beyond the medicine.

We're looking forward to an excellent meeting with great Orthopods from different parts of the country and sharing new and exciting techniques in Knee Surgery.

We will see you soon in Varanasi!
